# SEET's Matching Challenge

Helping Nora match mentors and  
mentees — faster, smarter, and at scale

**SEET-**  
**Support Education,**  
**Empower Together**

SEET helps refugees  
access higher education  
in Switzerland

Matching is done  
manually by admin,  
Nora

**matching  
criteria**

- academic goals
- field of study
- languages
- age difference
- gender preferences
- geographical proximity

# Nora has to match

**9 8159152832 4789773434 5611269596 1158942720 00000000**

**combinations manually...  
impossible to do by hand, but we  
made it manageable**

# **Our Solution: Data-Driven Mentor-Mentee Matching**
